January is Human Trafficking Awareness Month

HUMAN TRAFFICKING IS A WORLDWIDE EPIDEMIC; IT'S EVIL INCARNATE; AND, IT DESPERATELY NEEDS OUR ATTENTION!

Approximately 27 million people, including children, are being trafficked worldwide with illegal profits reaching \$150 billion.

Texas has 4 of the top 15 cities for human trafficking and the problem continues to grow as slave labor and sex trafficking become major profit centers for drug cartels.

Salvation Spirits Distillery has chosen this month to announce that we are committing 10% of the net profit from the sale of our **Chi Rho Barrel-Aged Gin** to organizations combating human trafficking.

Sunday, January 29th, from 2-4pm, we are hosting a mission launch party in conjunction with Rock & Vine's issue release party at The Speakeasy at Salvation Spirits. Celebrity and musical guests will be announced on Instagram, so follow us [@SalvationSpirits](#) and [@RocknVine](#) to stay in the know.
